

URD Certification-D/B

To protect from Fraud and Abuse, the FCC requires GlobalVRS to enter your confidential information into the FCC's TRS-User Registration Database (URD).

To complete your registration, we need your permission/consent to do that. GlobalVRS will keep your information 100% protected, private and will NEVER share your information with the public.

iTRS User Information Collection and Privacy Policy disclosures are available upon request.

Please fill out and sign the following statement

I, _____, agree to allow GlobalVRS to share my Full Name, Residential Address, Ten Digits Number, Last Four Digits of my Social Security Number, Date of Birth, 911 Address, Name of VRS provider, date information acquired, date registrant was verified, date of last call through our system with the Telecommunications Relay Service – User Registration Database as required by FCC rules order for ASL/Global VRS to provide my service.
